--	--	-------------------------

Opening in the ground to be provided : Ø 14 mm
 Fix with chemical anchor

option

Electropolishing

- Greatly improved corrosion resistance
- Great resistance to sticking
- Greatly improved cleanability
- Extremely hygienic and bacteriologically clean surface
- Smoother and denser surface, lower roughness, deburring
- Elimination of the weld discoloration, higher shine
- Low flow resistance and good thermal effect
- Extremely passive and noble surface

Recommended for use on the coast and in environments with acids and salts.

Installation material

Chemical anchor About 10 road studs can be placed with 1 tube
